School Uniform Policy

The Donald Primary School has authorised summer and winter uniforms for both girls and boys. A uniform gives a child a sense of belonging and pride in his/her school, as well as responsibility for maintaining it. The uniform must be worn for official functions such as school photos, camps/excursions, concerts and music festivals and normal activities unless otherwise directed. It is not compulsory to have the school logo on items of clothing.

Year 6 students may have a windcheater made with a class of 20__ Logo.

CLOTHING - Please name all articles of clothing regularly, including coats, beanies, hats jumpers, boots, as many of the children wear the same type of clothing. Extra items are not to be worn inside the classrooms as we have good heating & cooling systems.

FOOTWEAR: All children must wear secure, sensible shoes, ill-fitting skate type shoes; THONGS/CROCS are dangerous and are **NOT** to be worn to school. All shoes must be securely tied and fasten up at all times. No bare feet at anytime. Please wear appropriate clothing for the activity.
